

Rappahannock Area Community Services Board presents

REVIVE!

Opioid Overdose Reversal Training

This free training is open to anyone. You will learn how to react to an opioid overdose and how to administer the antidote that can save a life. You will receive a tool kit and access to a free dose of naloxone.

To learn more, to request a training for your organization, or to register for a training session, contact Sherry Norton-Williams, 540-374-3337, ext. 102 or snorton@rappahannockareacsb.org
