REVIVE!

OPIOID OVERDOSE REVERSAL TRAINING

More than 1,400 people died from drug overdoses last year in Virginia. In the past few years, more people died from drug overdoses than car accidents. **We're here to help stem the rising tide of deaths.**

Rappahannock Area Community Services Board offers REVIVE! training to teach the skills needed to save a life during an opioid overdose.

This free training is open to anyone. Participants will receive a tool kit and access to a free dose of naloxone.

January 23, 5:30 p.m.
Salem Church Library, Room A
2607 Salem Church Road
Fredericksburg, VA 22407

February 16, 9:30 a.m.
